Training & Assessment

TAE40116 Certificate IV in Training and Assessment

This is for those delivering training and assessment services in the vocational education and training (VET) sector. It is also suitable preparation for those delivering training and assessment of competence in a workplace, as a component of a structured VET program. Minimum of 150 face to face training hours.

Licensing/Regulatory Information

Achievement of the qualification by trainers is a requirement of the Standards for Registered Training Organisations (RTOs) 2015.

Businesses:

We can customise training to suit your needs. We have successfully submitted for government funding on numerous occasions and it often means we can provide the training at zero cost for your organisation. Contact your local college for more information.

Entry Requirements

Must be able to demonstrate vocational competency in their proposed training and assessing area. Vocational competency is defined as broad industry knowledge and experience eg. holding a relevant unit of competency or qualification.

Registered Training Organisation: Tamworth Community College RTO 90095

Where: Inverell Community College
When: Expressions of Interest for Term 3
Cost: \$2850
