

Northern Inland Inc

Industry Currency Record

Community College-Northern Inland Inc. Our registration meets the AQTF this status is of critical importance to the College and our compliance with VQF/SNR 15.4

Requires all Trainer/Assessor's to provide evidence of their Industry Currency.

This can be summarised as:

- Knowledge of current industry practice for the job which performance is assessed against
- Knowledge of, and compliance with, relevant licensing, regulatory or legislative requirements
- Knowledge and skills covering leading practices and emerging trends in the industry or discipline area
- The ability to contextualise generic competency units to relevant industry or discipline areas.
- Knowledge of and familiarity with the latest versions of the training package and units of competency.

For trainers and assessors demonstration of currency will require the presentation of evidence that shows the activities they have undertaken to maintain currency within their Industry expertise.

Trainer and Assessor Industry Currency Record must total - 10 POINT REQUIREMENT PER ANNUM
